

Man Industries honoured with GAIL award

Mumbai, November 21, 2011: MAN Industries (India) Limited, one of the leading Large Diameter Pipe manufacturing companies in the country, has been honoured by GAIL (India) Ltd with the prestigious "Excellent Performance Award 2010-11" for their performance in supply of API 5L X-70 cathodic protected Coated Line Pipes and Casing Pipes for the Vijaipur-Dadri-Bawana-Pipeline Project of 498 kms.

The award was received by Mr. Sanjiv Dheer, Chief Operating Officer of Man Industries from Mr. R D Goyal, Director - Project, GAIL during the "Vendor Interactive Meet" held at Noida recently.

Commenting on the award Mr. R.C. Mansukhani Chairman, Man Industries (India) Limited said, "It's an absolute honour and I'm deeply humbled. This accolade inspires us to create new benchmark in our growth path. The award is a testimony of our relentless pursuit for excellence and encourages us to take bigger strides in offering more quintessential work in future - projects that are of par-excellence quality and surpass every other work in the past."

GAIL (India) Ltd is a State owned Navratna Company engaged in Gas Transportation Infrastructure and Distribution.
