31ST ANNUAL REPORT
2018 - 19

POWERING GROWTH THROUGH CONSISTENT PERFORMANCE

VISION

OBTAINING MARKET LEADERSHIP POSITION BY PROVIDING INNOVATIVE AND QUALITY PRODUCTS AND SERVICES TO IMPROVE QUALITY OF LIFE AND ENVIRONMENT IN QUEST FOR EXCELLENCE.

MISSION

PARTNERING WITH EVERY MAJOR GLOBAL CLIENT IN OIL, GAS AND WATER SECTOR BY PROVIDING QUALITY SOLUTIONS IN COMMITTED TIMELINE, ENHANCING VALUE FOR STAKEHOLDERS.

CHAIRMAN'S STATEMENT

Dear Shareholders,

It gives me immense pleasure to share with you, 31st Annual Report of the Company for the year ended March 2019.

The year under review had been yet another strong and significant year in terms of steady performance of the company. The company has not only posted excellent results in spite of high volatility in the global and Indian Economic Environment, but has also surpassed all its historical performances both in terms of revenue as well as in terms of Production.

With the passing of election uncertainties and stable Government at centre, India is all set to remain the fastest growing economy in the years to come. Government's renewed focus on Water Sector and Gas Distribution network will offer greater opportunities for growth in the Pipe industry.

Your Company maintains its unbroken track record of profitability due to focused and calibrated approach in deployment of resources to optimise performance. You will be happy to know that the company has recorded highest revenue during the year which stands at Rs. 2,242 crores. As on date, the company has a comfortable order book position of about Rs. 2,000 Crores and the same is expected to go up significantly by March, 2020.

During the year, the Company has successfully executed a single largest prestigious order from GAIL for its Jagdishpur-Haldia-Bokaro-Dhamra- Phase II project.

The long pending issue of Scheme of arrangement related to demerger of its real estate division under Man Infraprojects Ltd. is likely to be resolved this year.

On behalf of all the board members and shareholders I wish to put on record my sincere appreciation for the excellent efforts put in by all the team members of the company. I am also confident they will continue to deliver best out of them and help company to achieve greater heights in the future.

I am also grateful to our bankers, regulators, government departments and all the stakeholders for their continued cooperation and support. I thank all my colleagues on the board for their guidance and support. I am also thankful to the fellow shareholders who continued to provide support and repose confidence in the management of the company.

Thank you,

R.C. Mansukhani
Chairman

NOTES:

1. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE ANNUAL GENERAL MEETING IS ENTITLED TO APPOINT ONE OR MORE PROXIES TO ATTEND AND VOTE ON A POLL INSTEAD OF HIMSELF/HERSELF. SUCH A PROXY NEED NOT BE A MEMBER OF THE COMPANY.**

A person can act as a Proxy on behalf of Members not exceeding fifty (50) and holding in aggregate not more than ten percent (10%) of the total share capital of the Company. A Member holding more than ten percent (10%) of the total share capital of the Company may appoint a single person as Proxy and such Proxy shall not act as a Proxy for any other Member.

The instrument appointing the Proxy, in order to be effective, should be deposited at the Registered Office of the Company, duly completed, stamped and signed, at least 48 hours before the commencement of the Meeting.

Corporate Members intending to send their authorized representatives to attend the Annual General Meeting ("the Meeting") are requested to send to the Company a certified true copy of the Board Resolution authorizing their representatives to attend and vote on their behalf at the Meeting.

2. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
3. The Members/Proxies are requested to bring the attendance slip duly filled in for attending the Meeting.
4. An Explanatory Statement pursuant to Section 102(1) of the Companies Act, 2013, relating to the Special Business to be transacted at the Meeting is annexed hereto.
5. As required under Regulation 36 of the Listing Regulation, a statement containing the details of the Director seeking re-appointment at the ensuing Annual General Meeting is annexed to this Notice.
6. The Register of Members and the Share Transfer Books of the Company shall remain closed from Saturday, September 21, 2019 to Friday, September 27, 2019 (both days inclusive) for the purpose of Annual General Meeting and payment of dividend, if declared at the Annual General Meeting.
7. All the documents referred to in the Notice and Explanatory Statement annexed thereto including the Annual Report for the financial year 2018-19 and Notice of the 31st Annual General Meeting are open for inspection by the Members, without any fees, at the Registered Office of the Company between 11:00 a.m. and 1:00 p.m. on all working days except Saturday up to the date of the Meeting and the same shall be made available for inspection by Members at the Meeting.
8. **Members holding shares in dematerialised form are requested to intimate all changes pertaining to their bank details/NECS/mandates, nominations, power of attorney, change of address/name, PAN details, email address etc. to their Depository Participant only and not to the Company or the Registrar and Share Transfer Agents (RTA) of the Company. The Company or its RTA cannot act on any such request received directly from the members. Changes intimated to the Depository Participant will be automatically reflected in the Company's records which will help the Company and its RTA provide efficient and better service to the members.**
9. **In case of members holding shares in physical form, such information is required to be provided to the Company's RTA. A 'KYC Form' is given in this Annual Report for capturing the above details. Members are requested to send the duly filled in 'KYC Form' to the RTA.**
10. Members are requested to quote their Folio No. / Client ID and DP ID in all their correspondence.
11. **SEBI has mandated submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN details to their depository participants. Members holding shares in physical form are requested to submit their PAN details to the Company's RTA.**
12. **As per SEBI mandate no requests for effecting transfer of shares except in case of transmission or transposition of securities, requests for effecting transfer of securities shall not be processed unless the securities are held in the dematerialized form with a depository. Hence, investors are requested to demat their physical holding for any further transfer. Members can contact the Company's RTA for assistance in this regard.**

13. Members who have not registered their e-mail address for receiving all communications including Annual Report, Notices, Circulars etc., from the Company electronically, are requested to register the same with their Depository Participants (for shares held in electronic form) and with the Registrar and Share Transfer Agents of the Company, i.e. Link Intime India Private Limited (for shares held in physical form). Members who have registered their e-mail address are also entitled to receive such communication in physical form, upon request.
14. Subject to the provisions of the Companies Act, 2013, dividend as recommended by the Board of Directors, if declared at the meeting, will be paid within a period of 30 days from the date of declaration, to those members whose names appear on the Register of Members as on Friday, September 20, 2019.
15. Unclaimed dividend for the Financial Years 2011-12 to 2017-18 are still lying in the respective unpaid dividend accounts of the Company. Members wishing to claim dividends, which remain unclaimed, are requested to correspond with the Registrar & Transfer Agent or the Company Secretary at the Company's Registered Office. Members are requested to note that dividends that are not claimed within seven years from the date of transfer to the Company's Unpaid Dividend Account, will, as per Section 124 of the Companies Act, 2013, be transferred to the Investor Education and Protection Fund (IEPF) established by the Central Government. Further all shares in respect of which dividend has not been claimed for seven consecutive years or more shall also be transferred to the IEPF as per Section 124 of the Act and the applicable rules.

The respective due dates of transfer of the unclaimed dividend and the underlying shares are mentioned under the heading 'Unclaimed Dividend' in the 'Corporate Governance' section of the Annual Report. Shareholders whose shares or unclaimed dividend has been transferred to the Fund may claim the said shares or unclaimed dividend by making an application in Form IEPF 5 and submission of the prescribed documents to the Fund.

16. The notice of AGM along with Annual Report for 2018-19 is being sent by electronic mode to all the members whose email IDs are registered with the Company/Depository Participant(s) unless any member has requested for a physical copy of the same. For members who have not registered their email addresses, physical copies are being sent by the permitted mode.

Members, who have received the above documents in electronic mode, are entitled to receive the same, free of cost, in physical form, upon making a request in this regard to the Registrar and Share Transfer Agents of the Company, i.e. Link Intime India Private Limited C-101, 247 Park, L.B.S. Marg, Vikhroli (West), Mumbai - 400083 or to the Company at investor.relations@maninds.org.

17. In compliance with provisions of Regulation 44 of the Listing Regulations, 2015 and Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014, the Company has provided a facility of remote e-voting (e-voting from a place other than venue of the Meeting) to its Members to enable them to exercise their right to vote on the business proposed to be transacted at the 31st Annual General Meeting ("the Meeting"). EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 SETTING OUT ALL THE MATERIAL FACTS RELATING TO SPECIAL BUSINESS:

Item No. 4

The Companies (Cost Records and Audit) Amendment Rules, 2014, mandate audit of the cost accounting records of the Company in respect of certain product categories. Accordingly, the Board of Directors based on the recommendation of the Audit Committee appointed M/s M.P. Turakhia & Associates, Cost Accountants as the Cost Auditors of the Company for the FY 2019-20 at a remuneration of Rs.1,00,000/- (Rupees One Lac Only) plus applicable taxes and reimbursement of out of pocket expenses in connection with the audit.

In terms of the provisions of Section 148(3) of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors has to be ratified by the Members of the Company. Accordingly, consent of the members is sought for approving the Ordinary Resolution set out at Item No. 4 of the Notice for ratification of the remuneration payable to the Cost Auditors for the financial year 2019-20 as stated above.

None of the Directors, Key Managerial Personnel of the Company or their relatives are in any way, concerned or interested, financially or otherwise, in the said resolution.

The Board recommends the Ordinary Resolution as set out in Item No. 4 of the Notice for the approval of the Members.

Item No. 5

Mr. Pramod Tandon (DIN: 00364652) who was appointed as Independent Director in the 26th Annual General Meeting of the Company completed his present term of five years on 31st March 2019.

Based on the outcome of performance evaluation of the Independent Directors, on the recommendation of the Nomination and Remuneration Committee, the Board of Directors of the Company on February 12, 2019, has approved the re-appointment of Mr. Pramod Tandon for the second term as provided in the resolution, and he shall not be liable to retire by rotation as provided under Section 152(6) of the Companies Act, 2013. The Company has received a declaration from Mr. Pramod Tandon confirming that he meets the criteria of Independence as prescribed under Section 149(6) of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. In the opinion of the Board, he fulfills the conditions specified in the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and is independent of the management.

In terms of Section 160 of the Companies Act, 2013, the Company has also received a notice in writing from a member proposing the candidature of Mr. Pramod Tandon to be reappointed as an Independent Director as per the provisions of the Companies Act, 2013.

The Board considers that his continued association would be of immense benefit to the Company and it is desirable to continue to avail his services. Accordingly, the Board recommends the passing of resolution set out in Item No. 5 as a Special Resolution.

Except Mr. Pramod Tandon and his relatives, to the extent of their shareholding, if any, none of the Directors or Key Managerial Personnel of the Company and their relatives, are in any way concerned or interested, financially or otherwise, in the resolution as set out in Item No. 5 of the Notice.

Item No. 6

Mr. Kirit Navnitlal Damania (DIN: 01435190), a non-executive director, was appointed as Independent Directors at the 30th Annual General Meeting of the Company held on 28th September, 2018 by Special Resolution for a term of 5 consecutive years till 29th March, 2023 in accordance with the provisions of Section 149 and 152 of the Companies Act, 2013. However, SEBI has vide notification dated 9th May, 2018 amended Regulation 17 of SEBI (LODR) by inserting a new Para (1A), which requires that w.e.f. 1st April, 2019, no listed entity shall appoint a person or continue the directorship of any person as a non-executive director who has attained the age of seventy five years unless a special resolution is passed to that effect.

In view of the above amendment in Regulation 17, Mr. Kirit Navnitlal Damania, a Non-Executive Director who had already completed 75 years of age cannot be continued unless a Special Resolution is passed by the members of the Company. Accordingly, the matter was discussed by the Nomination and Remuneration Committee and the Board of Directors of the Company and in view of exemplary contribution and rich experience of Mr. Kirit Navnitlal Damania, it was decided to recommend continuation of his directorship till the completion of his full term upto 29th March, 2023, in the best interest of the Company. Mr. Kirit Navnitlal Damania, Independent Director had already completed 75 years of age and has been continuously providing his valuable contribution and guidance to the Board of Directors of the Company. Mr. Kirit Navnitlal Damania possesses over 5 decades of vast experience in legal and finance areas and the Company is benefiting from his rich experience immensely. In view of his valuable contribution and rich experience of Mr. Kirit Navnitlal Damania, your Directors feel that the continuation of his term as already approved by shareholders in the last Annual General Meeting, is fully justified.

Except Mr. Kirit Navnitlal Damania, none of the other Directors / Key Managerial Personnel of the Company / their relatives is, in any way, concerned or interested, in the proposed resolution.

Your Directors recommend the Special Resolution(s) under Item No.6 of the notice for approval of the members.

Item No. 7

Mr. R.C. Mansukhani (DIN: 00012033), Chairman and Whole-time Director of the Company was re-appointed for a period of five years at the 30th Annual General Meeting of the Company held on 28th September, 2018 on the terms and conditions including payment of remuneration as mentioned therein.

At the time of his re-appointment, the Company had adequate profits and the remuneration paid/ payable to Mr. R.C. Mansukhani was well within the limits prescribed under the Companies Act, 2013. However, due to inadequacy of profits during financial year 2018-19, the remuneration paid to Mr. R.C. Mansukhani during the said financial year exceeded the limits as prescribed under Section 197 read with Schedule V of the Companies Act 2013. Pursuant to Section 197(10) of the Act, the members of the Company can waive the recovery of excess remuneration by passing a special resolution.

The management of the Company believes that the remuneration as previously approved by the members of the Company and paid to Mr. R.C. Mansukhani is justified in terms of their key role within the Company.

The Nomination and Remuneration Committee and the Board have at their respective meeting(s) held on August 14, 2019, subject to the approval of the members of the Company, accorded their approvals for waiver of the recovery of excess managerial remuneration paid by the Company to Mr. R.C. Mansukhani and, in the interest of the Company have also recommended the aforesaid resolution as set out in this Notice for approval of the Members.

Accordingly, it is proposed that approval of the members of the Company by way of a special resolutions be obtained for the waiver of recovery of excess remuneration paid to Mr. R.C. Mansukhani.

The Company has not defaulted in payment of dues to any bank or public financial institution or non-convertible debenture holders or other secured creditor, if any.

Save and except Mr. R.C. Mansukhani and their relatives to the extent of their shareholding interest, if any, none of the other Directors/ Key Managerial Personnel and their relatives are in any way, concerned or interested, financially or otherwise.

Item No. 8

The Shareholders had approved the re-appointment and remuneration of Mr. R.C. Mansukhani (RCM), Chairman & Whole-time Director and Mr. Nikhil Mansukhani (NM), Executive Director in their 30th Annual General Meeting held on 28th September, 2018 for a five years commencing from 26th September, 2018 to 25th September, 2023 (for RCM) and from 3rd October, 2018 to 2nd October, 2023 (for NM).

The Securities and Exchange Board of India (SEBI) vide their notification dated 9th May, 2018 inserted Regulation 17(6)(e) in the SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018 with effective from 1st April 2019. The said regulation inter alia requires that if the aggregate annual remuneration payable to all the Executive Directors who are promoters or members of the Promoter Group exceeds 5 percent of the net profits of the Company calculated as per the provisions of Section 198 of the Companies Act, 2013, the same shall be subject to the approval of the Shareholders by special resolution in general meeting and that the approval of the shareholders under this provision shall be valid only till the expiry of the term of such Director.

Mr. R.C. Mansukhani (RCM), Chairman & Whole-time Director and Mr. Nikhil Mansukhani (NM), Executive Director, are the promoters of the Company and their aggregate annual remuneration exceeds 5% of the net profits of the Company.

In order to comply with the requirement of Regulation 17(6)(e) of the listing regulations and on recommendation of Nomination and Remuneration Committee, Board of Directors is seeking to take members' approval by way of Special Resolution for the remuneration paid to the aforesaid directors during the financial year 2018-19 and for the continuation of payment of remuneration to them in terms of the special resolution passed by the Shareholders in the 30th Annual General Meeting held on 28th September, 2018 for the remaining part of their current term i.e. upto 25th September 2023 (for RCM) and 2nd October 2023 (for NM) notwithstanding that their aggregate annual remuneration exceeds 5 percent of the net profits of the Company.

 - b) *The Company is yet to publish financials of its unlisted subsidiary on its website in the light of litigations going on in respect of the scheme of arrangement specified herein below.*
8. The following Regulations and Guidelines prescribed under The Securities and Exchange Board of India Act, 1992 were, in our opinion, not attracted during the financial year under report;
 - a) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - b) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Act and dealing with client;
 - d) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
 - e) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998.

There are no other laws which are specifically applicable to the Company.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc., mentioned above.

We further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors as on March 31, 2019.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarification on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out by majority as recorded in the minutes of the Meetings of the Board of Directors or Committee of the Board, as the case may be.

During the period under review, we have not undertaken the factory visit of the Company. Hence we cannot report in respect thereof.

We have relied on the representation made by the Company and its officers for the compliance of various applicable laws, rules, regulations and guidelines and after examining the system and mechanism followed by the Company for compliances. We report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure the compliance of applicable laws, rules, regulations and guidelines.

We further report that during the audit period of the Company:

- 1) The Company is generally regular in depositing with appropriate authorities undisputed statutory dues. The Company has not paid disputed statutory dues.
- 2) There are disputes between the promoter groups pending adjudication before various judicial authorities regarding the title/ownership of the shares. Further, the said dispute, regarding the right to receive dividend on such shares between the promoter shareholders group has also been observed by NCLT and NCLAT recently. In view of the same, the Company has deposited and kept in abeyance the dividend payable to one of the groups for the FY 2014-15, 2015-16 and 2016-17 in the unpaid dividend account with ICICI Bank and for the FY 2017-18 with IndusInd Bank.
- 3) The Company had preferred an appeal before Securities Appellate Tribunal (SAT) against the order passed by SEBI in the matter of enquiry proceedings conducted against the Company and its officials, wherein SEBI has passed an order (SEBI order No. ASK/AO/62/2014) dated March 28, 2014 imposing penalty of Rs. 25,00,000 (Rupees Twenty Five Lacs only) jointly and severally on the Company, some of its Directors and erstwhile Compliance Officer in terms of Section 15 HB of the SEBI Act for charge of alleged violations of Regulation 12 (2) and (3) read with Clause 2.1 of the Schedule II of PIT regulations for delay in disclosure of price sensitive information to the exchanges. As per the information provided by the officers of the Company, the Company has received an order of SAT dismissing the said appeal. The Company has preferred an appeal to the Supreme Court against the order of SAT. The matter has not been listed as yet.
- 4) The appeal preferred by the Company against the Order passed by the Income Tax Department in respect of the search and seizure operation conducted on the Company and the promoters between December 10 and 14, 2014 under section 132/133 of the Income Tax Act 1961 (The Act) is pending for disposal.
- 5) The application filed by the Company for modification of the scheme of arrangement between the Company and MIPL to provide for swapping of shares between two promoter groups has since been withdrawn from the Hon'ble Bombay High Court. Further, in view of frivolous and bogus claims made by MAN Infraprojects Limited (MIPL) having been rejected by the Ld Arbitrator in his Final award, the Company has decided to call the Record Date as contemplated in the Scheme of arrangement. Pending adjudication of the same and pending full implementation of the scheme, Man Industries (India) Limited continues to be parent Company of MIPL.
- 6) The Company has received show cause notice from Securities and Exchange Board of India (SEBI) on 16/06/2019 for the purported violation of Regulation 7(2) and 7(3) of SEBI (Prohibition of Insider Trading) Regulations, 2015 (PIT Regulations). As per the show cause notice, the trades of the JCM promoter group is required to be disclosed under regulation 7(2) of PIT Regulations. Further, it is also alleged that the Company is required to seek information from the promoter entity under Regulations 7(3) of PIT Regulations to comply with aforesaid Regulation.

The Company has submitted its Reply to SEBI dated 10/07/2019 refuting all alleged violation of Regulation 7(2) and 7(3) of SEBI (Prohibition of Insider Trading) Regulations, 2015 (PIT Regulations). It has also stated that non making of any disclosure if any, was beyond its control as no such disclosures as per law was provided by the Promoter to the Company. Matter is pending adjudication before SEBI.

- 7) The SEBI vide its order dated 21.12.2018 has imposed a penalty of Rs. 10 Crores, payable jointly and severally, on three promoters of the Company viz, Mr. Nikhil Mansukhani (belonging to RCM Group) and Mrs. Anita Mansukhani and M/s JPA Holdings Pvt. Ltd (both belonging to JCM Group) in respect of acquisition of shares of the Company and allotment of shares to them pursuant to conversion of warrants during the period June 01, 2010 to September 30, 2010, in violation of the provisions of Regulation 11(1) read with 2nd proviso to Regulation 11(2) the SAST Regulations, 1997 resulting in the shareholding of the promoters exceeding the threshold limit of 55% without complying with provisions of the SAST Regulations.

The Management of the Company has represented that there are two promoter Groups in the Company RCM Group and JCM Group. The two promoter groups have been into legal disputes at various Forum. It was further represented by the management that entities belonging to both the promoter groups were aware about the issue and allotment of the warrants but the threshold was breached due to undisclosed acquisition of Shares by Mr. J.C. Mansukhani of the JCM Group. Mr. Nikhil Mansukhani, promoter (belonging to RCM Group) has preferred an appeal before Securities Appellate Tribunal (SAT) against the said SEBI Order. The aforesaid appeal is pending before SAT.

- 8) SEBI has vide its order dated SEBI/HO/EAD-3/JS/DJ/OW/P/18613/1/2018 dated 02.07.2018 imposed a Rs. 1,00,000 on the Company for alleged violation of Regulation 13(6) of the SEBI (Prohibition of Insider Trading) Regulations, 1992 for failure to make proper disclosure to the BSE Limited with regard to the disclosure received from Man Finance Limited (MFL) (a promoter group entity) in respect of the purchases of 2,58,190 and 23,566 shares of the Company by MFL on 27.09.2012 and 28.09.2012 respectively.

The Company has represented that it had made the required disclosure to BSE Limited (BSE) in respect to the transactions in question, however, the addressee mentioned on the Covering letter of the said disclosure was 'NASDAQ Dubai Stock Exchange Limited'. BSE had also given the Acknowledgment for the aforesaid disclosure. SEBI, in its said order, has admitted that the Company had intended to make the disclosure to BSE though the same was not made in the right manner resulting into failure and consequent default. The Company has preferred an appeal before Securities Appellate Tribunal (SAT) against the said SEBI Order.

MANAGEMENT DISCUSSION AND ANALYSIS 2018-19

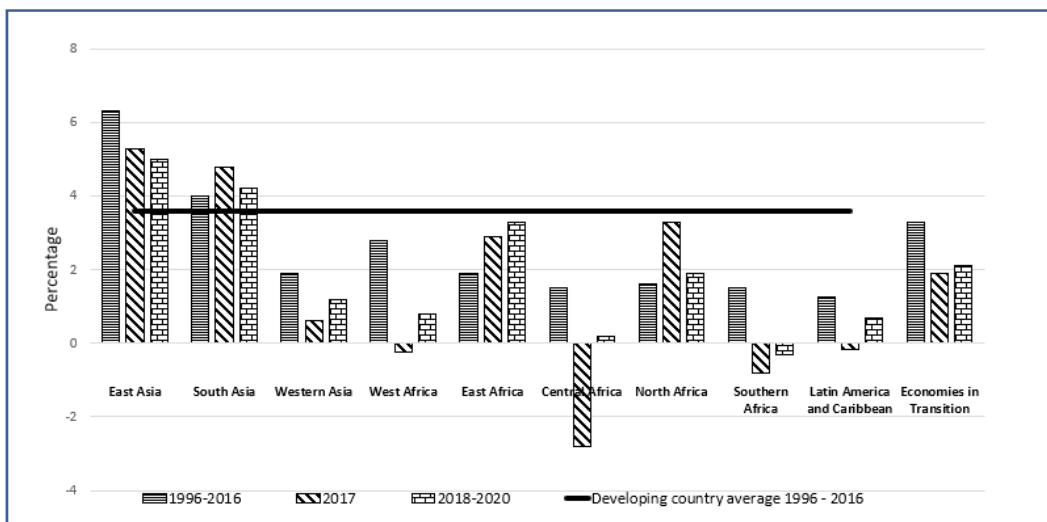

GLOBAL ECONOMY OVERVIEW

After strong growth in 2017 and early 2018, global economic activity slowed notably in the second half of 2018, reflecting a confluence of factors affecting major economies. China's growth declined following a combination of needed regulatory tightening to rein in shadow banking and an increase in trade tensions with the United States. The Euro Area economy lost more momentum than expected as consumer and business confidence weakened. Post US protectionist measures, more and more countries are resorting to adopt protective policies threatening the growth of global trade. The impetus to global growth provided by trade liberalisation is now receding fast.

In 2018, global oil demand seems to have breached 100 MMbbl/d for the first time, natural gas continues to expand its share of key markets. Now, the oil and gas industry has entered the new year with increased volatility in prices, geopolitical disturbances and regulatory overhangs amidst many new business opportunities.

With improvements expected in the second half of 2019, global economic growth in 2020 was projected to return to 3.6 percent however, recent slowdown witnessed in the major economies in the world there is serious challenge to the global economic growth. The recent rate cut by US Fed and monetary easing by other Central banks across the world indicates that the environment is becoming tough. Growth in emerging markets and developing economies is likely to stabilize at around 5 percent, though with considerable variance between countries as subdued commodity prices and civil strife weaken prospects for some.

INDIAN ECONOMY OVERVIEW

The Indian economy continues to remain the fastest growing major economy in the world. India's GDP is estimated to have increased 7.2 per cent in 2017-18 and 7 per cent in 2018-19. However, India's economy has slowed down slightly in 2018-19 due to weaker economic momentum and the slowdown has been driven by cooling activity growth in the manufacturing sector and, to a lesser extent, agriculture.

Monetary policy has attempted to provide a fillip to the growth impulse through cuts in repo rate and easing of bank liquidity. The room for this monetary easing has been created by low inflation in 2018-19. However, risk aversion of banking sector due to past legacy issues of NPA and failure of some NBFCs is not allowing transmission of the liquidity and businesses continue to starve for capital.

The Government of India, under the Make in India initiative, is trying to give boost to the contribution made by the manufacturing sector and aims to take it up to 25 per cent of the GDP from the current 17 per cent. Hon'ble Prime Minister has set an ambitious target to take India's GDP to US\$ 5 trillion by 2024 which will require huge investment in development of infrastructure for energy security.

GLOBAL OIL & GAS INDUSTRY REVIEW

In 2018, recovery in commodity prices and cash flows has been good news for the sector. The price of oil has rebounded. After appearing limited to a range between \$50 - \$60 per barrel, Brent crude is now trading above USD 60 per barrel.

Natural gas continues to expand its share of key markets. The phenomenal growth in natural gas production in the USA has often outstripped pipeline capacity. Building and expanding pipelines, processing facilities, import and export terminals, storage facilities and LNG plants is a vital part of value chain which gives a major boost to line pipe Industry globally. There are major infrastructure projects moving forward in this sector and delays in this are unaffordable.

DOMESTIC OIL & GAS REVIEW

India is one of the world's largest energy consumer. Demand for primary energy in India is expected to double by 2035 to 1,516 million tonnes of oil from 754 million tonnes of oil in 2017. The Industry is expected to attract US\$25 billion Investments in exploration and production by 2022.

The Government of India has adopted several policies like allowing 100% Foreign Direct Investment in many segments like Natural Gas, Petroleum Products and refineries. Moreover, government has enacted various policies such as the OALP and CBM policy to encourage investments in exploration.

GLOBAL PIPES INDUSTRY REVIEW

Global upstream capital expenditure, which dropped nearly 45 percent between 2014 and 2016 is now forecast to rise 6 percent year-on-year in the medium term. Driven by the North American market, Exploration is on the rise again for the first time since the global recession.

Globally, local natural gas distribution companies have revived their investment plans which includes construction of new pipelines as well as replacement of aging pipelines.

Recently we have seen demand emerging for water pipeline projects in MENA region and we expect India to be a major player in this segment also.

DOMESTIC PIPE INDUSTRY REVIEW

Domestic demand for the Pipes sector has improved post announcement of policies to control imports from China. Domestic demand for steel pipes has shown robust growth in almost all segments driven by demand from Oil, Gas, water supply & sanitation (WSS) and irrigation segments.

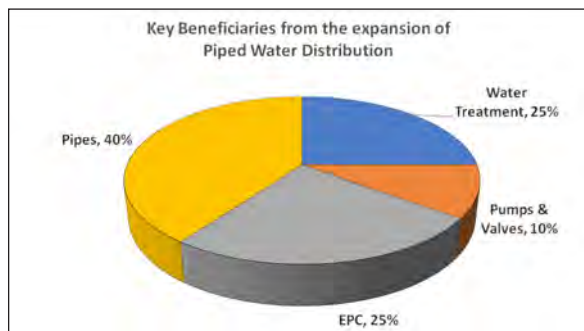

According to data released by the Department of Industrial Policy and Promotion (DIPP), the petroleum and natural gas sector attracted FDI worth US\$ 7.00 billion between April 2000 and December 2018. Government of India is planning to invest Rs 70,000 crore (US\$ 9.97 billion) to expand the gas pipeline network across the country. At the end of 2018, construction of around 13,500 KM long gas pipeline is underway which gives a huge scope for Domestic players.

Investment in Water related infra in India have grown at a compounding annual rate of 15% and touched USD 21 billion last fiscal. Total Investment potential in Water Infra stands at \$270 billion over the next 15 years.

NAL SE JAL

The project focuses on tackling the water issue and delivering hon'ble Prime Minister's vision of providing "Nal se Jal" that is to provide piped water to every household in India. It aims to improve coverage of piped water supply from 18 percent currently to 100 percent by 2024.

It is estimated to have an Investment potential of almost \$94 billion. This will give a major boost to Large diameter Line pipe industry in the near to medium term as the Investment in Pipes is substantial at almost 40% of the project Cost.

RIVER LINKING Project-Driver for Water Pipes

It is a proposed Large-Scale civil Engineering project that aims to effectively manage water resources in India by linking various Indian rivers by a network of reservoirs and canals and so reduce persistent floods particularly in the large parts of the Ganga-Brahmaputra-Meghna basin, affecting Assam, Bihar, West Bengal, and Uttar Pradesh and Water Shortages in several western and peninsular states such as Rajasthan, Gujarat, Andhra Pradesh, Karnataka, and Tamil Nadu. NWDA has studied and prepared reports on 14 inter-link projects for Himalayan component, 16 inter-link projects for Peninsular component and 37 intrastate river linking projects.

The Investment potential for river Linking Project is around \$168 Billion. Work is underway on two large projects that is the Ken-Betwa project in the water-starved Bundelkhand region of UP and the Polavaram project in Andhra. The Godavari-Krishna-Cauvery linking could be the next project to be taken up by the government.

Water sector has emerged as another growth engine for Pipe makers in addition to Oil and Gas sector.

NATIONAL ELECTRONIC CLEARING SCHEME (NECS) FOR DIVIDEND

The Reserve Bank of India (RBI) has provided National Electronic Clearance Scheme (NECS) to the investors as an option to receive dividend directly through their bank accounts rather than receiving the same in the form of Dividend Warrants / Demand Drafts. Under this option, the bank account of the investor is directly credited and the intimation thereof is sent by the Company to the Shareholder.

This service provides instantaneous credit to the shareholders account and protects against fraudulent interception and encashment of dividend warrant but also eliminates dependence on the postal system, loss/ damage of dividend warrants in transit and correspondence relating to revalidation/ issue of duplicate warrants/Demand Drafts.

REGISTRATION OF BANK DETAILS FOR SHAREHOLDERS HOLDING SHARE IN PHYSICAL FORM

The shareholders holding shares in physical form who wish to avail the electronic credit facility for dividend may send their Bank Details along with other KYC details to the Company's Registrar and Transfer Agent, Link Intime India Pvt. Ltd, C-101, 247 Park, L.B.S. Marg, Vikhroli (West), Mumbai - 400 083. The Shareholders are requested to send the filled in 'KYC Form' given in the Annual Report along with their specimen signature which should match with the records with the Company.

SHAREHOLDERS HOLDING SHARE IN ELECTRONIC/DEMAT FORM

Shareholders holding shares in demat or electronic form may send in their Bank Mandate to the concerned Depository Participant (DP) directly in the format prescribed by the DP. Pursuant to the depository regulations, the Company is obliged to pay dividend on dematerialized shares as per the details furnished by the concerned DP. The Company or the Registrar & Transfer Agent cannot make any change in the records received from the Depository.

TRANSFER OF UNCLAIMED / UNPAID AMOUNTS TO THE INVESTOR EDUCATION AND PROTECTION FUND (IEPF):

Pursuant to Sections 124 and 125 of the Act and the Investor Education and Protection Fund (Accounting, Audit, Transfer and Refund) Rules, 2016 (“IEPF Rules”), all unclaimed/unpaid dividend, application money, debenture interest and interest on deposits as well as principal amount of debentures and deposits, sale proceeds of fractional shares, redemption amount of preference shares, etc. pertaining to the Company remaining unpaid or unclaimed for a period of 7 years from the date they became due for payment, are liable to be transferred to the Investor Education and Protection Fund (IEPF) Authority, established by the Central Government.

Furthermore, the IEPF Rules mandate companies to transfer shares of shareholders whose dividends remain unpaid / unclaimed for a period of 7 consecutive years to the demat account of the IEPF Authority. The said requirement does not apply to shares in respect of which there is a specific order of the Court, Tribunal or Statutory Authority, restraining any transfer of the shares.

Accordingly, the Company has during the year transferred the amount of dividends remained unclaimed and unpaid related to the Year upto 2010-11. Further, shares of the Company, in respect of which dividend has not been claimed for 7 consecutive years or more, have also been transferred to the demat account of the IEPF Authority.

The members who have a claim on the above dividends or shares may claim the same from the IEPF Authority by submitting an online application in Form No. IEPF-5 as per the procedure prescribed in the IEPF Rules. No claims shall lie against the Company in respect of the dividend/shares so transferred. The Company strongly recommends shareholders to write to the Company’s RTA to encash / claim their dividends before the respective due dates in respect of the financial years as mentioned in the table below.

Financial Year	Due date for transfer to IEPF
2011-12	02.10.2019

STATEMENTS

INDEPENDENT AUDITORS' REPORT

To,
The Members of
Man Industries (India) Limited

Report on the Audit of the standalone financial statement's opinion

1. We have audited the accompanying standalone financial statements of Man Industries (India) Limited (the 'Company'), which comprise the Balance Sheet as at 31st March 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31 March 2019, and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. We have determined the matters described below to be the key audit matters to be communicated in our report

Assessment of the carrying value of investment in and loans granted to its subsidiary, Merino Shelters Private Limited.

(Refer to note 6 and note 15 to the financial statements)

Description of Key Audit Matter

As at 31st March 2019, the carrying amount of a) investment is ₹ 10,229.83 lakhs and b) loan advanced is ₹ 858.15 lakhs, to its wholly owned subsidiary Merino Shelters Private Limited. The aggregate exposure of the Company in respect of (a) and (b) above is ₹ 11,087.98 Lakhs which is significant to the standalone financial statements of the Company.

Merino Shelters Private Limited is in the process of development of residential /IT/ Commercial real estate project at Nerul, Navi Mumbai. Considering the current situation of the Real Estate industry there are indicators of potential impairment of the Investments in subsidiary as set out on (a) and (b) above.

The Management has assessed the impairment by reviewing the business forecasts using the "DCF" valuation method which involves the use of management estimates that are dependent on future economic circumstances and noted that no provision for impairment is required to be made in respect of these investment in subsidiary and loans advanced (including interest accrued) are considered good.

Considering the materiality of the amounts and due to the management judgement required in estimating the quantum of diminution in the value of investment and such estimates being subjective, this matter has been identified as a key audit matter.

How our audit addressed the key audit matter

Obtained an understanding of the matter with the management.

Considered the business forecasts with the current market position relating to the demand and supply of the product.

Considered the work of the external independent valuation expert engaged by the company and assessed their methods and objectivity.

Examined terminal value of the subsidiary used in the valuation report and tested the mathematical accuracy of the underlying calculations.

Based on the above, procedures, the Management 's assessment of impairment in the carrying value of investments in the subsidiary is reasonable.

Assessment of the carrying value of investment in its subsidiary, Man Overseas Metal DMCC

(Refer to note no. 6 to the financial statements)

As at 31st March 2019, the carrying amount of investment is ₹ 2,824.13 lakhs, to its wholly owned subsidiary Man Overseas Metal, DMCC, which is significant to the standalone financial statements of the Company.

The Management has assessed the impairment by reviewing the business forecasts using the "DCF" valuation method which involves the use of management estimates that are dependent on future economic circumstances and noted that no provision for impairment is required to be made in respect of these investment in subsidiary and loans advanced (including interest accrued) are considered good.

Other Matter

6. We did not audit the financial statements/information of Dubai Branch included in the standalone financial statements of the Company whose financial statements/financial information reflects total assets of ₹ 12,228.85 Lakhs as at March 31, 2019 (previous year ₹ 8,543.55 lakhs) and total operating revenues of ₹ 6,666.29 Lakhs (previous year ₹ 49,335.21 lakhs) for the year ended on that date, as considered in the standalone financial statements. The financial statements/information of this branch have been audited by the branch auditor whose report has been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of this branch, is solely on report of such branch auditor

Information other than the financial statements and Auditor's Report thereon

7. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the standalone financial statements

8. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial

position), profit or loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

9. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
10. Those Board of Director are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the financial statements

11. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but, is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
12. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of Internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
13. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
15. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare Circumstances, we determine that a matter should not be communicated in our

report because the adverse consequences of doing so would reasonably be expected to outweigh the public Interest benefits of such communication.

Report on other Legal and Regulatory Requirements

16. As required by Section 197(16) of the Act, we report that the Company has paid excess remuneration of Rs 246.12 lakhs to its director during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V to the Act (refer note 41 to accompanying standalone financial statement).
17. As required by the Companies (Auditor's Report) Order, 2016 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, and on the basis of such checks of the books and records of the company as we considered and according to the information and explanation given to us, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
18. Further to our comments in Annexure A, as required by Section 143(3) of the Act. we report that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) the standalone financial statements dealt with by this report are in agreement with the books of account;
 - d) in our opinion, the aforesaid standalone financial statements comply with Ind AS specified under Section 133 of the Act;
 - e) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2019 from being appointed as a director in terms of Section 164(2) of the Act;
 - f) With respect to the adequacy of the internal financial control over financial reporting of the company and the operating effectiveness of such control, refer to our separate report in 'Annexure B'.
 - g) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company has disclosed the impact of pending litigations as at march 31, 2019 on its financial position in the standalone financial statements;
 - ii. the Company has made provision as at march 31, 2019, as required under the applicable law or Ind AS, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31 March 2019;
 - iv. the disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016, which are not relevant to these standalone financial statements. Hence, reporting under this clause is not applicable.

The Annexure referred to in Independent Auditor Report to the members of the company on the standalone financial statement for the year ended 31 March 2019.

Based on the audit procedures performed for the purpose of reporting a true and fair view on the standalone financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) (a) The Company is in the process of updating records showing full particulars, including quantitative details and situation of property, plant and equipment.
 - (b) According to the information and explanation provided to us, all property, plant and equipment have been physically verified by the management during the year and we are further informed that no material discrepancies were noticed on such verification. In our opinion, the frequency of physical verification of property, plant and equipment is reasonable having regards to the size of the company and nature of its fixed assets.
 - (c) According to the information and explanation given to us and on basis of our examination of the records of the Company, the title deeds of all the immovable properties as disclosed in property, plant and equipment are held in the name of the Company.
- (ii) In our opinion, the management has conducted physical verification of inventory at reasonable intervals during the year. The discrepancies noticed on physical verification of inventory as compared to book records were not material and have been appropriately dealt with the books of accounts.
- (iii) The Company has granted unsecured loans to two bodies corporate in the register maintained under Section 189 of the Act; and closing yearend balance is ₹ 1,938.53 lakhs.
 - (a) in our opinion the terms and conditions of grant of such loans are not, prima facie, prejudicial to the Company's interest;
 - (b) the schedule of repayment of principal and payment of interest has been stipulated, repayment of principal is regular but the receipts of interest is not regular.
 - (c) Further, interest amount of ₹ 996.10 lakhs has been overdue for more than 90 days.
- (iv) In our opinion and according to the information and explanations given to us, during the year the company has given loan company in which directors are interested which is in violation of the provision of section 185 of the Companies Act, 2013. The amount of loan granted during the year is ₹ 1,080.38 Lakhs and year- end balance outstanding is ₹ 1,080.38 Lakhs.
- (v) In our opinion, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Rules framed there under.
- (vi) Pursuant to the rules made by the central government of India, the company is required to maintain cost records as specified under section 148(1) of the act in respect of its products.
We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- (vii) (a) The Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, goods and services tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.
 - (b) According to the information and explanation given to us and the records of the company examined by us. There are no dues outstanding of sales tax including value added tax, employees state insurance, provident fund, income tax, duty of customs, other statutory dues, on account of any dispute, other than following:

ANNEXURE B TO INDEPENDENT AUDITOR'S REPORT

Independent Auditor's report on the Internal Financial Controls under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 (the "Act")

1. We have audited the internal financial controls over financial reporting (IFCoFR) of **Man Industries (India) Limited** ("the Company") as of 31 March 2019 in conjunction with our audit of the Standalone Financial Statements of the Company as of that date.

Management's Responsibility for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of IFCoFR and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

Meaning of Internal Financial Controls over financial Reporting

6. A Company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over financial Reporting

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes on Financial Statements for the year ended 31st March, 2019

1 CORPORATE INFORMATION

Man Industries (India) Limited (hereinafter referred to as “MIL” or “the company”) is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The company is engaged in the business of manufacturing, processing and trading of submerged arc welded pipes & steel products.

2 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

These financial statements are prepared in accordance with Indian Accounting Standards (‘Ind AS’) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013(“Act”) (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

3 SIGNIFICANT ACCOUNTING POLICIES

a) Income Recognition

- i) Revenue in respect of sale of goods is recognised on dispatch of goods from the factory on the basis of tax invoice. The sales are net of Goods and Service Tax. Further the materials returned/rejected are accounted for in the year of return/rejections.
- ii) For the service rendered the Company recognised revenue on the basis of Stage of Completion Method.
- iii) Other income is comprised primarily of interest income, export incentives, exchange gain/loss on forward contracts and on translation of other assets and liabilities. Other income is recognized on accrual basis except dividend income which is recognized when the right to receive payment is established.

b) Property, Plant and Equipment

Property, plant and equipment are stated at original cost net of tax / duty credit availed, less accumulated depreciation and accumulated impairment losses, if any. The carrying amount of the component accounted for as a separated asset is derecognised when replaced. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

Capital work-in-progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date.

Property, plant and equipment are eliminated from financial statement, either on disposal or when retired from active use. Losses arising in case retirement of property, plant and equipment and gains or losses arising from disposal of property, plant and equipment are recognised in the statement of profit and loss in the year of occurrence.

The assets’ residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

c) Lease Assets

Leasehold lands in case of operating lease are amortised over the period of lease.

Buildings constructed on leasehold land are depreciated based on the useful life specified in Schedule II to the Companies Act, 2013, where the lease period of land is beyond the life of the building.

In other cases, buildings constructed on leasehold lands are amortised over the primary lease period of the lands.

d) Intangible Fixed Assets

Intangible assets acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Cost of a non-monetary asset acquired in exchange of another non-monetary asset is measured at fair value. Intangible assets are amortised on a straight-line basis over their estimated useful lives.

Notes on Financial Statements for the year ended 31st March, 2019

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Standalone Statement of Profit and Loss.

e) Depreciation

Tangible Fixed Assets

Consequent to the enactment of the Companies Act, 2013 (The Act) and its applicability for accounting periods commencing from 1st April 2014, the Company has realigned the remaining useful lives of its fixed assets, in accordance with the provisions prescribed under Schedule II of the Act. Consequently, the carrying value (net of residual value) as at 1st April 2014 is being depreciated over the revised remaining useful lives on the basis of straight - line method. The Company has used following useful life to provide depreciation on its fixed assets:

Office Building	60 years	Factory Building	30 years
Plant & Machinery	15 years	Wind Mill	22 years
Office Equipment's	05 years	Furniture & Fixtures	10 years
Vehicles	10 years	Computer Hardware	03 years

Intangible Fixed Assets

Intangible assets are amortized by straight line method over the estimated useful life of such assets. The useful life is estimated based on the evaluation of future economic benefits expected of such assets. The amortisation period and amortisation method are reviewed at least at each financial year. If the expected useful life of assets is significantly different from previous estimates, the amortisation period is changed accordingly.

f) Valuation of Inventories

- i) Raw materials are valued at cost or net realizable value whichever is lower. Cost is computed using First in First Out (FIFO) method.
- ii) Work -in -Progress include the cost of purchase, appropriate share of cost of conversion and other overhead incurred in bringing the inventory to its present location and condition.
- iii) Finished goods are valued at cost or net realisable value whichever is less. Cost includes cost of purchase, cost of conversion and other overhead incurred in bringing the inventory to its present location and condition. Obsolete/slow moving inventories are adequately provided for.
- iv) Other stores and spares/consumable are valued at cost after providing for cost of obsolescence, if any.

g) Foreign Exchange Fluctuation

- i) Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction or that approximates the actual rate at the date of the transaction.
- ii) Monetary items denominated in foreign currencies at the year end are restated at year end rates.
- iii) In respect of forward exchange contract entered for speculation purpose and expired during the year, the difference in forward exchange booking rate and spot rate on the date of expiry of contract is dealt in the Profit and Loss Account. In respect of forward exchange contract entered for speculative purpose and carried forward in next accounting period, the difference between the forward exchange booking rate and closing interbank rate including premium upto maturity prevailing at the close of the year are dealt in the Profit and Loss Account.
- iv) In respect of branches, which are non-integral foreign operations, all transactions are translated at rates prevailing on the date of transaction or that approximates the actual rate at the date of transaction. Branch monetary assets and liabilities are restated at the year-end rates. The exchange difference arising on translation are recognised in Other Comprehensive Income (OCI).
- V) Any income or expense on account of exchange difference either on settlement or on translation is recognised in the Statement of Profit and Loss.

Notes on Financial Statements for the year ended 31st March, 2019

h) Employee Benefits

i) Short Term Employee Benefits

All Employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and they are recognized in the period in which employee renders the related service except leave encashment.

ii) Long Term Employee Benefits

- Defined Contribution Plans

Defined contribution fund are government administered provident fund scheme, employee state insurance scheme for all employees. The Company's contribution to defined contribution plans are recognized in the Profit & Loss Account in the financial year to which they relate.

- Defined Benefit Gratuity Plan

The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value and the fair value of any plan assets is deducted.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on Government Securities as at the Balance Sheet date.

Actuarial gains and losses are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Past service cost is recognised in the statement of profit and loss in the period of plan amendment.

iii) Other Long-Term Employee Benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the defined benefit obligation at the Balance Sheet date, determined based on actuarial valuation using Projected Unit Credit Method. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on Government Securities as at the Balance Sheet date.

i) Taxation

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. The income tax provision for the interim period is made based on the best estimate of the annual average tax rate expected to be applicable for the full financial year.

Minimum Alternate Tax (MAT) credit is recognised as tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

Notes on Financial Statements for the year ended 31st March, 2019

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized.

j) Provisions, Contingent Liabilities and Contingent Assets

Provision is recognised in the accounts when there is a present obligation as a result of past event(s) and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote.

Contingent assets are neither recognised nor disclosed in the financial statements.

k) Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to Profit and Loss account.

l) Earning Per Share

In determining Earning per Share, the Company considers the net profit after tax and includes the post-tax effect of any extraordinary / exceptional item. The number of shares used in computing Basic Earning per Share is the weighted average number of shares outstanding during the period. The number of shares used in computing Diluted Earnings per Share comprises the weighted average shares considered for deriving Basic Earnings per Share and also the weighted average number of shares that could have been issued on the conversion of all dilutive potential equity shares unless the results would be anti - dilutive. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

m) Leases

Leases under which the company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments under operating leases are recognized as an expense on a straight line basis in net profit in the Statement of Profit and Loss over the lease term.

n) Impairment of Non-Financial Assets

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have

Notes on Financial Statements for the year ended 31st March, 2019

been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

o) Exceptional Items

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the company is such that its disclosure improves the understanding of the performance of the company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

p) Government Grants

Government grants are recognised where there is reasonable assurance that the grant will be received, and all attached conditions will be complied with.

Where the grant relates to an asset the cost of the asset is shown at gross value and grant thereon is treated as capital grant which is recognised as income in the statement of profit and loss over the period and in proportion in which depreciation is charged.

Revenue grants are recognised in the statement of profit and loss in the same period as the related cost which they are intended to compensate are accounted for.

Where the company receives non-monetary grants, the asset and the grant are recorded gross at nominal amounts and released to the statement of profit and loss over the expected useful life and pattern of consumption of the benefit of the underlying asset by equal annual instalments.

q) Financial Instruments

Initial recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through profit or loss, are added to the fair value on initial recognition.

Subsequent measurement

a) Non-derivative financial instruments

i) Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

Notes on Financial Statements for the year ended 31st March, 2019

Impairment

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in profit or loss.

iv) Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

v) Investment in subsidiaries

Investment in subsidiaries is carried at cost in the separate financial statements.

b) Derivative financial instruments

The Company holds derivative financial instruments such as foreign exchange forward and option contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank.

C) Share capital

Ordinary Shares

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognized as a deduction from equity, net of any tax effects.

Derecognition of financial instruments

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

r) Fair Value Measurement:

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

4 SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in note no 44 , 46 and 47. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

a) Fair value hierarchy

This section explains the judgement and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the Financial Statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

There were no transfers between any levels during the year.

Level 1:

Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have a quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing net assets value (NAV)

Level 2:

The fair value of financial instruments that are not traded in an active market (for example over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3:

If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

b) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- i) the use of quoted market prices or dealer quotes for similar instruments
- ii) the fair value of interest rate swaps is calculated as the present value of the estimated future cash flows based on observable yield curves.
- iii) the fair value of forward foreign exchange contracts are determined using forward exchange rates at the Balance Sheet date
- iv) the fair value of foreign currency option contracts is determined using the Black Scholes valuation model.
- v) the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All of the resulting fair value estimates are included in level 1 and 2.

c) Valuation processes

The finance department of the Company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the Chief Financial Officer (CFO).

d) Fair value of financial assets and liabilities measured at amortised cost

The carrying amounts of trade receivables, trade payables, other receivables, short-term security deposits, bank deposits with more than 12 months maturity, capital creditors and cash and cash equivalents including bank balances other than cash and cash equivalents are considered to be the same as their fair values due to the current and short-term nature of such balances.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

46 FINANCIAL RISK MANAGEMENT

Risk Management is an integral part of the business practices of the Company. The framework of Risk Management concentrates on formalising a system to deal with the most relevant risks, building on existing Management practices, knowledge and structures. The Company has developed and implemented a comprehensive Risk Management System to ensure that risks to the continued existence of the Company as a going concern and to its growth are identified and remedied on a timely basis. While defining and developing the formalised Risk Management System, leading standards and practices have been considered. The Risk Management System is relevant to business reality, pragmatic and simple and involves the following:

- i. Risk identification and definition – Focused on identifying relevant risks, creating, updating clear definitions to ensure undisputed understanding along with details of the underlying root causes contributing factors.
- ii. Risk classification – Focused on understanding the various impacts of risks and the level of influence on its root causes. This involves identifying various processes generating the root causes and clear understanding of risk interrelationships.

| iii. | Risk assessment and prioritisation – Focused on determining risk priority and risk ownership for critical risks. This involves assessment of the various impacts taking into consideration risk appetite and existing mitigation controls. |
| iv. | Risk mitigation – Focused on addressing critical risks to restrict their impact(s) to an acceptable level (within the defined risk appetite). This involves a clear definition of actions, responsibilities and milestones. |
| v. | Risk reporting and monitoring – Focused on providing to the Board and the Audit Committee periodic information on risk profile evolution and mitigation plans. |

a) **Management of liquidity risk**

The Company's principal sources of liquidity are cash and cash equivalents, borrowings and the cash flow that is generated from operations. The Company believes that current cash and cash equivalents, tied up borrowing lines and cash flow that is generated from operations is sufficient to meet requirements. Accordingly, liquidity risk is perceived to be low.

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows as at the Balance sheet date:

47 MANAGEMENT OF MARKET RISK

The Company's size and operations result in it being exposed to the following market risks that arise from its use of financial instruments:

- i. Price risk,
- ii. Interest rate risk; and
- iii. Foreign exchange risk

The above risks may affect the Company's income and expenses, or the value of its financial instruments. The objective of the Company's Management of market risk is to maintain this risk within acceptable parameters, while optimising returns. The Company's exposure to, and Management of, these risks is explained below:

Potential impact of risk	Management policy	Sensitivity to risk
1. Price Risk		
The Company is mainly exposed to the price risk due to its investments in equity instruments. The price risk arises due to uncertainties about the future market values of these investments. Equity price risk is related to the change in market reference price of the investments in equity securities. In general, these securities are not held for trading purposes. These investments are subject to changes in the market price of securities. The fair value of quoted equity, mutual fund and bond instruments classified as fair value through Profit and Loss account as at March 31, 2019 is ₹ 5.09 lakhs (March 31, 2018: ₹ 57.16 lakhs).	In order to manage its price risk arising from investments in equity instruments, the Company maintains its portfolio in accordance with the framework set by the Risk Management policies. Any new investment or divestment must be approved by the Board of Directors, Chief Financial Officer and Risk Management Committee.	As an estimation of the approximate impact of price risk, with respect to investments in equity instruments, the Company has calculated the impact as follows: For equity instruments, a 5% increase in prices would have led to approximately an additional ₹ 0.25 lakhs gain in profit and loss account (2017-18: ₹ 2.86 lakhs). A 5% decrease in prices would have led to an equal but opposite effect.
2. Interest rate risk		
Financial Liabilities: The Company is mainly exposed to interest rate risk due to its variable interest rate borrowings. The interest rate risk arises due to uncertainties about the future market interest rate of these borrowings. As at March 31, 2019, the exposure to interest rate risk due to variable interest rate borrowings amounted to ₹ 20657.26 lakhs (March 31, 2018: ₹ 27002.00 lakhs)	Financial Liabilities: In order to manage its interest rate risk arising from variable interest rate borrowings, the Company uses Interest rate swaps to hedge its exposure to future market interest rates whenever appropriate. The hedging activity is undertaken in accordance with the framework set by the Risk Management Committee and supported by the Treasury department.	Financial Liabilities: As an estimation of the approximate impact of the interest rate risk, with respect to financial instruments, the Company has calculated the impact of a 50 bps change in interest rates. A 50 bps decrease in interest rates would have led to approximately an additional ₹ 103.29 lakhs (2017-18: ₹ 135.01 lakhs) gain in profit and loss account. A 50 bps increase in interest rates would have led to an equal but opposite effect.
3. Foreign Exchange risk		
The Company has international operations and is exposed to foreign exchange risk arising from foreign currency transactions. Foreign exchange risk arises from future commercial transactions and recognised Financial assets and liabilities denominated in a currency that is not the Company's functional currency (INR). The risk also includes highly probable foreign currency cash flows. The objective of the cash flow hedges is to minimise the volatility of the INR cash flows of highly probable forecast transactions.	The Company has exposure arising out of export, import, loans and other transactions other than Company's functional currency. The Company hedges its foreign exchange risk using foreign exchange forward contracts and currency options after considering the natural hedge. The same is within the guidelines laid down by Company's risk Management policy.	As an estimation of the approximate impact of the foreign exchange rate risk, with respect to Financial Statements, the Company has calculated the impact of a 2% increase in the spot price as on the reporting date would have led to an increase in additional ₹ 1508.44 lakhs as loss in Profit and Loss account (2017-18: loss of ₹719.56 lakhs) and ₹ 45.64 lakhs addition to Fixed Assets(2017-18: loss of ₹215.08 lakhs). A 2% decrease would have led to an increase an equal but opposite effect.

i) Management of credit risk

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations.

Trade receivables

Concentrations of credit risk with respect to trade receivables are limited, due to the Company's customer base being large, diverse and across sectors and countries. All trade receivables are reviewed and assessed for default on a quarterly basis.

Our historical experience of collecting receivables is supported by low level of past default and hence the credit risk is perceived to be low.

Other financial assets

The Company maintains exposure in cash and cash equivalents, term deposits with banks, and loans to subsidiary companies. Individual risk limits are set for each counter-party based on financial position, credit rating and past experience. Credit limits and concentration of exposures are actively monitored by the Treasury department of the Company.

Impact of hedging activities

The Company does not follow the hedge accounting in view of natural hedge.

51 The Income Tax Department had conducted a search and seizure operation on the Company and promoters between December 10 and 14, 2014 under section 132/133 of the Income Tax Act 1961 (The Act). Subsequent to the above, the department had completed the assessment and passed the order against which the company had preferred an appeal at Commissioner of Income Tax - Appeals. Pending the disposal of the appeal, the company had not given effect of the same in the financials.

- 52** The Company, on approval of the Bombay High Court in March 2015, has given effect to the scheme of arrangement for the merger / demerger between Man Industries (India) Limited (Company) and Man Infraprojects Private Limited (MIPL), in the financial statement of Financial Year 2014-15. MIPL has made frivolous claims on the company and also challenged the valuation of assets which had been already approved by the H'ble Bombay High Court. In view of this, the Company has filed an Application for withdrawal of bogus claims and for modification of scheme to provide for swapping of shares between two promoter groups, which is pending hearing and disposal in the H'ble Bombay High Court. Pending adjudication of the same and pending full implementation of the Scheme, Company continues to be 100% shareholder of MIPL. As the above matter stands sub-judice, liability if any , thereon cannot be quantified.

Independent Auditors' Report

To,

**The Members of
Man Industries (India) Limited**

Report on the Audit of the Consolidated financial statements opinion

Qualified Opinion

1. We have audited the accompanying consolidated financial statements of **Man Industries (India) Limited** ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), which comprise the Consolidated Balance Sheet as at 31 March 2019, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, except for the effect of matter described in the basis of qualified opinion paragraph below, the aforesaid Consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Group as at 31st March, 2019, and its Consolidated profit (including other comprehensive income), its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Qualified Opinion

3. I Believe, The Consolidated financial statement does not include the financial statement of Merino Shelters Private Limited, wholly owned subsidiary of the Group, which is in contravention to Indian Accounting Standard (IND AS) 110 issued by the institute of Chartered Accountants of India.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment and based on the consideration of the reports of the other auditors on separate financial statements / consolidated financial statements and on the other financial information of the subsidiaries were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Except for the matter described in the basis for qualified opinion section, we have determined there are no key audit matter to be communicated in our report.

Information other than the Consolidated financial statements and Auditor's Report thereon

5. The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated financial statements

6. The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated state of affairs (consolidated financial position), consolidated profit or loss (consolidated financial performance including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. The Holding Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of consolidated Ind AS financial statements. Further, in terms of the provisions of the Act, the respective Board of Directors /management of the companies included in the Group covered under the Act are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.
7. In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
8. Those Board of Directors are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated financial statements

9. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
10. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the holding company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Emphasis of Matter

14. We draw attention to note 53 to the Consolidated financial statement, with regards to the scheme of arrangement for the merger/ demerger (scheme) between the Group and Man Infraprojects Limited (MIPL). The Group has given effect to the scheme in the financial statement of year 2014-15 based on approval of Hon'ble Bombay High Court. As represented to us by the management, MIPL has made frivolous claims on the Group and also challenged the valuation of assets against which the Group has filed an application for withdrawal of claims and for modification of scheme. Since the matter is sub-judice and looking to the contingencies in this regards, we are unable to comment on the same.

Other Matters

15. We did not audit the financial statements/ information of Dubai Branch included in the consolidated financial statements of the Group whose financial statements/ financial information reflect total assets of ₹ 12,228.85 lakhs as at March 31, 2019 (previous year: ₹ 8,543.55 lakhs) and the total operating revenues of ₹ 6,666.29 lakhs (previous year: ₹ 49,335.21 lakhs) for the year ended on that date, as considered in the consolidated financial statements. The financial statements/ information of this branch has been audited by the branch auditor whose reports have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of this branch, is solely on report of such branch auditor.

16. We did not audit the financial statements of Man Overseas Metal DMCC, subsidiary of the Company, whose financial statement reflects total assets of ₹ 3,336.53 lakhs (previous year ₹ 2,688.01 lakhs) and total operating revenue of ₹ 493.20 lakhs (previous year ₹ 3,514.42 lakhs) for the year ended on that date. This financial statement has been audited by the other auditor whose report has been furnished to us and our opinion, in so far it relates to amount included in respect of the subsidiary is based solely on the report of other auditor.
17. The consolidated financial statement includes unaudited financial statement of M/s. Man USA Inc, subsidiary of the Company, whose financial statement reflects total assets of ₹ 1.30 lakhs (previous year ₹ 18.24 lakhs) and total operating revenue of ₹ 13.30 lakhs (previous year ₹ 141.58 lakhs) for the year ended on the date.

Our opinion is not qualified in respect of these matters.

Report on other Legal and Regulatory Requirements

18. As required by Section 197(16) of the Act, we report that the holding Company has paid excess remuneration of ₹ 246.12 lakhs to its director during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V to the Act (refer note 41 to accompanying Consolidated financial statement). Further, we report that the provisions of Section 197 read with Schedule V to the Act are not applicable to two subsidiary companies consolidated, covered under the Act, since none of such companies is a public company as defined under section 2(71) of the Act.
19. As required by Section 143 (3) of the Act, based on our audit and on the consideration of the reports of the other auditors on separate financial statements / consolidated financial statements and other financial information of the subsidiaries, we report, to the extent applicable, that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;
 - c) the consolidated financial statements dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
 - d) in our opinion, the aforesaid consolidated financial statements comply with Ind AS specified under Section 133 of the Act;
 - e) On the basis of the written representations received from the directors of the Holding Company and taken on record by the Board of Directors of the Holding Company and the reports of the other statutory auditors of its subsidiary companies covered under the Act, none of the directors of the Group companies, covered under the Act, are disqualified as on 31 March 2019 from being appointed as a director in terms of Section 164(2) of the Act;
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company, and its subsidiary companies covered under the Act, and the operating effectiveness of such controls, refer to our separate report in 'Annexure A';
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements / consolidated financial statements as also the other financial information of the subsidiaries:

- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group;
- ii. Provision has been made in these consolidated financial statements, as required under the applicable law or Ind AS, for material foreseeable losses, on long-term contracts including derivative contracts;
- iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, and its subsidiary companies, during the year ended 31 March 2019;
- iv. the disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016, which are not relevant to these consolidated financial statements. Hence, reporting under this clause is not applicable.

ANNEXURE A TO INDEPENDENT AUDITOR'S REPORT

Independent Auditor's Report on the Internal Financial Controls under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 (the 'Act')

1. In conjunction with our audit of the consolidated financial statements of **Man Industries (India) Limited** (the 'Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as the 'Group'), as at and for the year ended 31 March 2019, we have audited the internal financial controls over financial reporting ('IFCoFR') of the Holding Company, its two subsidiary companies, which are companies covered under the Act, as at that date

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the Holding Company, its two subsidiary companies, which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the IFCoFR of the Holding Company, its two subsidiary companies, as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR includes obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the IFCoFR of the Holding Company, its two subsidiary companies, as aforesaid.

Meaning of Internal Financial Controls over financial Reporting

6. A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over financial Reporting

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that the IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Group has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes on Consolidated Financial Statements for the year ended 31st March, 2019

1 BASIS OF PREPARATION OF CONSOLIDATED FINANCIAL STATEMENTS

These consolidated financial statements are prepared in accordance with Indian Accounting Standards ('Ind AS') under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013("Act") (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

2 PRINCIPLES OF CONSOLIDATION

Subsidiaries are all entities over which the group has control. The group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

The acquisition method of accounting is used to account for business combinations by the group.

The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the group.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

3 SIGNIFICANT ACCOUNTING POLICIES

a) Income Recognition

- i) Revenue in respect of sale of goods is recognised on dispatch of goods from the factory on the basis of tax invoice. The sales are net of Goods and Service Tax. Further the materials returned/rejected are accounted for in the year of return/rejections.
- ii) For the service rendered the Group recognised revenue on the basis of Stage of Completion Method
- iii) Other income is comprised primarily of interest income, export incentives, exchange gain/loss on forward contracts and on translation of other assets and liabilities. Other income is recognized on accrual basis except dividend income which is recognized when the right to receive payment is established.

b) Property, Plant and Equipment

Property, plant and equipment are stated at original cost net of tax / duty credit availed, less accumulated depreciation and accumulated impairment losses, if any. The carrying amount of the component accounted for as a separated asset is derecognised when replaced. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

Capital work-in-progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date.

Property, plant and equipment are eliminated from financial statement, either on disposal or when retired from active use. Losses arising in case retirement of property, plant and equipment and gains or losses arising from disposal of property, plant and equipment are recognised in the statement of profit and loss in the year of occurrence.

The assets' residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

c) Lease Assets

Leasehold lands in case of operating lease are amortised over the period of lease.

Buildings constructed on leasehold land are depreciated based on the useful life specified in Schedule II to the Companies Act, 2013, where the lease period of land is beyond the life of the building.

In other cases, buildings constructed on leasehold lands are amortised over the primary lease period of the lands.

Notes on Consolidated Financial Statements for the year ended 31st March, 2019

d) Intangible Fixed Assets

Intangible assets acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Cost of a non-monetary asset acquired in exchange of another non-monetary asset is measured at fair value. Intangible assets are amortised on a straight-line basis over their estimated useful lives.

Goodwill

Goodwill on acquisitions of subsidiaries is included in intangible assets. Goodwill is not amortised but it is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Consolidated Statement of Profit and Loss.

e) Depreciation

Tangible Fixed Assets

Consequent to the enactment of the Companies Act, 2013 (The Act) and its applicability for accounting periods commencing from 1st April 2014, the Group has realigned the remaining useful lives of its fixed assets, in accordance with the provisions prescribed under Schedule II of the Act. Consequently, the carrying value (net of residual value) as at 1st April 2014 is being depreciated over the revised remaining useful lives on the basis of straight - line method. The Group has used following useful life to provide depreciation on its fixed assets:

Office Building	60 years	Factory Building	30 years
Plant & Machinery	15 years	Wind Mill	22 years
Office Equipment's	05 years	Furniture & Fixtures	10 years
Vehicles	10 years	Computer Hardware	03 years

Intangible Fixed Assets

Intangible assets are amortized by straight line method over the estimated useful life of such assets. The useful life is estimated based on the evaluation of future economic benefits expected of such assets. The amortisation period and amortisation method are reviewed at least at each financial year. If the expected useful life of assets is significantly different from previous estimates, the amortisation period is changed accordingly.

f) Valuation of Inventories

- i) Raw materials are valued at cost or net realizable value whichever is lower. Cost is computed using First in First Out (FIFO) method.
- ii) Work -in -Progress include the cost of purchase, appropriate share of cost of conversion and other overhead incurred in bringing the inventory to its present location and condition.
- iii) Finished goods are valued at cost or net realisable value whichever is less. Cost includes cost of purchase, cost of conversion and other overhead incurred in bringing the inventory to its present location and condition. Obsolete/slow moving inventories are adequately provided for.
- iv) Other stores and spares/consumable are valued at cost after providing for cost of obsolescence, if any.

g) Foreign Exchange Fluctuation

- i) Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction or that approximates the actual rate at the date of the transaction.
- ii) Monetary items denominated in foreign currencies at the year end are restated at year end rates.
- iii) In respect of forward exchange contract entered for speculation purpose and expired during the year, the difference in forward exchange booking rate and spot rate on the date of expiry of contract is dealt in the Profit and Loss Account. In respect of forward exchange contract entered for speculative purpose and carried forward in next accounting period, the difference between the forward exchange booking rate and closing interbank rate including premium upto maturity prevailing at the close of the year are dealt in the Profit and Loss Account.

Notes on Consolidated Financial Statements for the year ended 31st March, 2019

- iv) In respect of branches, which are non-integral foreign operations, all transactions are translated at rates prevailing on the date of transaction or that approximates the actual rate at the date of transaction. Branch monetary assets and liabilities are restated at the year-end rates. The exchange difference arising on translation are recognised in Other Comprehensive Income (OCI).
- v) Any income or expense on account of exchange difference either on settlement or on translation is recognised in the Statement of Profit and Loss.

h) Employee Benefits

i) Short Term Employee Benefits

All Employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and they are recognized in the period in which employee renders the related service except leave encashment.

ii) Long Term Employee Benefits

- Defined Contribution Plans

Defined contribution fund are government administered provident fund scheme, employee state insurance scheme for all employees. The Company's contribution to defined contribution plans are recognized in the Profit & Loss Account in the financial year to which they relate.

- Defined Benefit Gratuity Plan

The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value and the fair value of any plan assets is deducted.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on Government Securities as at the Balance Sheet date.

Actuarial gains and losses are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Past service cost is recognised in the statement of profit and loss in the period of plan amendment.

iii) Other Long-Term Employee Benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the defined benefit obligation at the Balance Sheet date, determined based on actuarial valuation using Projected Unit Credit Method. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on Government Securities as at the Balance Sheet date.

i) Taxation

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date.

The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. The income tax provision for the interim period is made based on the best estimate of the annual average tax rate expected to be applicable for the full financial year.

Minimum Alternate Tax (MAT) credit is recognised as tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

Notes on Consolidated Financial Statements for the year ended 31st March, 2019

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the consolidated financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized.

j) Provisions, Contingent Liabilities and Contingent Assets

Provision is recognised in the accounts when there is a present obligation as a result of past event(s) and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote.

Contingent assets are neither recognised nor disclosed in the consolidated financial statements.

k) Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to Profit and Loss account.

l) Earnings Per Share

In determining Earning per Share, the Group considers the net profit after tax and includes the post-tax effect of any extraordinary / exceptional item. The number of shares used in computing Basic Earning per Share is the weighted average number of shares outstanding during the period. The number of shares used in computing Diluted Earnings per Share comprises the weighted average shares considered for deriving Basic Earnings per Share and also the weighted average number of shares that could have been issued on the conversion of all dilutive potential equity shares unless the results would be anti - dilutive. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

m) Leases:

Leases under which the company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments under operating leases are recognized as an expense on a straight line basis in net profit in the Statement of Profit and Loss over the lease term.

n) Impairment of Non-Financial Assets

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

Notes on Consolidated Financial Statements for the year ended 31st March, 2019

o) Exceptional Items

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Group is such that its disclosure improves the understanding of the performance of the Group, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the consolidated financial statements.

p) Government Grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with.

Where the grant relates to an asset the cost of the asset is shown at gross value and grant thereon is treated as capital grant which is recognised as income in the statement of profit and loss over the period and in proportion in which depreciation is charged.

Revenue grants are recognised in the statement of profit and loss in the same period as the related cost which they are intended to compensate are accounted for.

Where the Group receives non-monetary grants, the asset and the grant are recorded gross at nominal amounts and released to the statement of profit and loss over the expected useful life and pattern of consumption of the benefit of the underlying asset by equal annual instalments.

q) Financial Instruments

Initial recognition

The Group recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through profit or loss, are added to the fair value on initial recognition.

Subsequent measurement

a) Non-derivative financial instruments

i) Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Group has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model. Further, in cases where the Group has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

Impairment

The Group recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required

Notes on Consolidated Financial Statements for the year ended 31st March, 2019

to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in profit or loss.

iv) Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

v) Investment in subsidiaries

Investment in subsidiaries is carried at cost in the separate consolidated financial statements.

b) **Derivative financial instruments**

The Group holds derivative financial instruments such as foreign exchange forward and option contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank.

c) **Share capital**

Ordinary Shares

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognized as a deduction from equity, net of any tax effects

Derecognition of financial instruments

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Group's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

r) **Fair Value Measurement:**

In determining the fair value of its financial instruments, the Group uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

4) **SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS**

The preparation of the consolidated financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the Consolidated financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these Consolidated financial statements have been disclosed in note no 44, 46 and 47. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the consolidated financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the consolidated financial statements.

a) Fair value hierarchy

This section explains the judgement and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the Financial Statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

There were no transfers between any levels during the year.

Level 1:

Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have a quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing net assets value (NAV)

Level 2:

The fair value of financial instruments that are not traded in an active market (for example over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3:

If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

Note No.	Particulars
----------	-------------

b) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of interest rate swaps is calculated as the present value of the estimated future cash flows based on observable yield curves.
- the fair value of forward foreign exchange contracts are determined using forward exchange rates at the Balance Sheet date
- the fair value of foreign currency option contracts is determined using the Black Scholes valuation model.
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All of the resulting fair value estimates are included in level 1 and 2.

c) Valuation processes

The finance department of the Company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the Chief Financial Officer (CFO).

d) Fair value of financial assets and liabilities measured at amortised cost

The carrying amounts of trade receivables, trade payables, other receivables, short-term security deposits, bank deposits with more than 12 months maturity, capital creditors and cash and cash equivalents including bank balances other than cash and cash equivalents are considered to be the same as their fair values due to the current and short-term nature of such balances.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

46 Financial Risk Management

Risk Management is an integral part of the business practices of the Company. The framework of Risk Management concentrates on formalising a system to deal with the most relevant risks, building on existing Management practices, knowledge and structures. The Company has developed and implemented a comprehensive Risk Management System to ensure that risks to the continued existence of the Company as a going concern and to its growth are identified and remedied on a timely basis. While defining and developing the formalised Risk Management System, leading standards and practices have been considered. The Risk Management System is relevant to business reality, pragmatic and simple and involves the following:

- i. Risk identification and definition – Focused on identifying relevant risks, creating, updating clear definitions to ensure undisputed understanding along with details of the underlying root causes contributing factors.
- ii. Risk classification – Focused on understanding the various impacts of risks and the level of influence on its root causes. This involves identifying various processes generating the root causes and clear understanding of risk interrelationships.
- iii. Risk assessment and prioritisation – Focused on determining risk priority and risk ownership for critical risks. This involves assessment of the various impacts taking into consideration risk appetite and existing mitigation controls.
- iv. Risk mitigation – Focused on addressing critical risks to restrict their impact(s) to an acceptable level (within the defined risk appetite). This involves a clear definition of actions, responsibilities and milestones.
- v. Risk reporting and monitoring – Focused on providing to the Board and the Audit Committee periodic information on risk profile evolution and mitigation plans.

a) **Management of liquidity risk**

The Company's principal sources of liquidity are cash and cash equivalents, borrowings and the cash flow that is generated from operations. The Company believes that current cash and cash equivalents, tied up borrowing lines and cash flow that is generated from operations is sufficient to meet requirements. Accordingly, liquidity risk is perceived to be low.

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows as at the Balance sheet date:

47	Management of market risk
----	----------------------------------

The Company's size and operations result in it being exposed to the following market risks that arise from its use of financial instruments:

- Price risk,
- Interest rate risk; and
- Foreign exchange risk

The above risks may affect the Company's income and expenses, or the value of its financial instruments. The objective of the Company's Management of market risk is to maintain this risk within acceptable parameters, while optimising returns. The Company's exposure to, and Management of, these risks is explained below:

Potential impact of risk	Management policy	Sensitivity to risk
1. Price Risk		
The Company is mainly exposed to the price risk due to its investments in equity instruments. The price risk arises due to uncertainties about the future market values of these investments. Equity price risk is related to the change in market reference price of the investments in equity securities. In general, these securities are not held for trading purposes. These investments are subject to changes in the market price of securities. The fair value of quoted equity, mutual fund and bond instruments classified as fair value through Profit and Loss account as at March 31, 2019 is Rs. 5.09 lakhs (March 31, 2018: Rs. 57.16 lakhs).	In order to manage its price risk arising from investments in equity instruments, the Company maintains its portfolio in accordance with the framework set by the Risk Management policies. Any new investment or divestment must be approved by the Board of Directors, Chief Financial Officer and Risk Management Committee.	As an estimation of the approximate impact of price risk, with respect to investments in equity instruments, the Company has calculated the impact as follows: For equity instruments, a 5% increase in prices would have led to approximately an additional Rs. 0.25 lakhs gain in profit and loss account (2017-18: Rs. 2.86 lakhs). A 5% decrease in prices would have led to an equal but opposite effect.
2. Interest rate risk		
Financial Liabilities: The Company is mainly exposed to interest rate risk due to its variable interest rate borrowings. The interest rate risk arises due to uncertainties about the future market interest rate of these borrowings. As at March 31, 2019, the exposure to interest rate risk due to variable interest rate borrowings amounted to Rs. 20046.34 lakhs (March 31, 2018: Rs. 26375.00 lakhs)	Financial Liabilities: In order to manage its interest rate risk arising from variable interest rate borrowings, the Company uses Interest rate swaps to hedge its exposure to future market interest rates whenever appropriate. The hedging activity is undertaken in accordance with the framework set by the Risk Management Committee and supported by the Treasury department.	Financial Liabilities: As an estimation of the approximate impact of the interest rate risk, with respect to financial instruments, the Company has calculated the impact of a 50 bps change in interest rates. A 50 bps decrease in interest rates would have led to approximately an additional Rs. 100.23 lakhs (2017-18: Rs. 131.88 lakhs) gain in profit and loss account. A 50 bps increase in interest rates would have led to an equal but opposite effect.
3. Foreign Exchange risk		
The Company has international operations and is exposed to foreign exchange risk arising from foreign currency transactions. Foreign exchange risk arises from future commercial transactions and recognised Financial assets and liabilities denominated in a currency that is not the Company's functional currency (INR). The risk also includes highly probable foreign currency cash flows. The objective of the cash flow hedges is to minimise the volatility of the INR cash flows of highly probable forecast transactions.	The Company has exposure arising out of export, import, loans and other transactions other than Company's functional currency. The Company hedges its foreign exchange risk using foreign exchange forward contracts and currency options after considering the natural hedge. The same is within the guidelines laid down by Company's risk Management policy.	As an estimation of the approximate impact of the foreign exchange rate risk, with respect to Financial Statements, the Company has calculated the impact of a 2% increase in the spot price as on the reporting date would have led to an increase in additional Rs. 1508.45 lakhs as loss in Profit and Loss account (2017-18: loss of Rs.719.56 lakhs) and Rs. 45.64 lakhs addition to Fixed Assets(2017-18: loss of Rs.215.08 lakhs). A 2% decrease would have led to an increase an equal but opposite effect

i) Management of credit risk

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations.

Trade receivables

Concentrations of credit risk with respect to trade receivables are limited, due to the Company's customer base being large, diverse and across sectors and countries. All trade receivables are reviewed and assessed for default on a quarterly basis.

Our historical experience of collecting receivables is supported by low level of past default and hence the credit risk is perceived to be low.

Other financial assets

The Company maintains exposure in cash and cash equivalents, term deposits with banks, and loans to subsidiary companies. Individual risk limits are set for each counter-party based on financial position, credit rating and past experience. Credit limits and concentration of exposures are actively monitored by the Treasury department of the Company.

Impact of hedging activities

The Company does not follow the hedge accounting in view of natural hedge.
