Subject: Man Industries (India) Limited has been CE Certified (Certificate of EN 10219-1)

Reg: Business Update pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Dear Sir / Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are delighted to inform you that the Company's plant situated at Anjar, Gujarat, has recently been CE Certified (Certificate of EN 10219-1) for Cold formed welded structural hollow sections of non-alloy & fine grain steels to be use in metal structures or in composite metal and concrete structures, the CE certification is issued by DNV Det Norske Veritas, Netherlands.

Securing CE certification ensures that products meet stringent safety and quality standards mandated by the European Union. CE marking certification would provide us a competitive advantage in the market, facilitating easier product access and sales within Europe. Beyond market advantages, CE Certification would help us mitigate risks associated with recalls and legal challenges, demonstrating a commitment to product quality and safety.

This is for your kind information and record.

Thanking You,

Yours faithfully,
For Man Industries (India) Limited

Rahul Rawat
Company Secretary
